

International Journal of Structural and Civil Engineering Research

CONTENTS

Volume 5, Number 1, February 2016

Building Architecture

Field Measurement and Degradation Rate Analysis of Thermal Insulation Performance by Elapsed Year of Public Building Outer Walls in Korea.....1

Seung-Hee Ryu, Ji-Hye Ryu, and Won-Hwa Hong

Ex-Situ Conservation on Nusantara Architecture: Implementation and Challenges (An Overview towards TMII and St übing Freilichtmuseum).....5

Yusfan Adeputera Yusran

An Analysis of Korean District Heating System's Heat Supply Load by Building Usages12

Ji-Ae Lee, Won-Hwa Hong, and Ji-Hye Ryu

A Taxonomy of Construction Supply Chain for Affordable Housing in New Zealand16

Rehan Masood, James Lim, and Vicente A. Gonzalez

Analysis of Air-Conditioning Energy Consumption Depending on Optional Operation of ERV System Installed in the Apartment Houses in South Korea22

Ji-Hye Ryu, Won-Hwa. Hong, and Ji-Ae Lee

Concrete Structure Design

Numerical Analysis of RC Beam Subjected to Blast Load.....26

Gang-Kyu Park and Hyo-Gyoung Kwak

Study on a New-Type Thermal Storage Aerated Concrete31

Min Li and Huan Peng

Effect of Extremely Hot and Arid Climate on Concrete Properties35

Saleh A. Al-Saleh

Review on Hybrid Fiber Reinforced High Performance High Volume Flyash Concrete39

Rooban Chakravarthy Srikanth Venkatesan, and Indubhushan Patnaikuni

Structural Mechanics

A Review on Exploring the Behavior of Multi-Layer Composite Structures Under Dynamic Loading.....44

Saima Ali, Xuemei Liu, Sabrina Fawzia, Jun Wu, Yuan Tong Gu

Evaluation of Panel Zone Shear Strength in Cruciform Columns, Box-Columns and Double-Web Columns.....52

Sina. Sarfarazi, Ali. Fakhraddini, and Kiana. Modaresahmadi

Civil Engineering

Effect of Span Length and Crossbeam Spacing on Load Distribution Factor at Girder Bridges.....57

Hyo-Gyoung Kwak and JoungRae Kim

Analysis of Controlling Parameters for Shear behavior of Rock Joints with FLAC3D	62
<i>Prasoon Tiwari, Hakan Sahin, and Omer F. Usluogullari</i>	
Project Management	
Implementing AHP Approach to Select an Appropriate Financing Method for PPP Highway Projects in Iran	67
<i>Esmatullah Noorzai, Kobra Gharouni Jafari, Rouhallah Heshmatnezhad, and Babak Vahedi</i>	
Selecting an Appropriate Finance Method of Public-Private Partnership for Railway Projects in Iran through AHP Method.....	74
<i>Esmatullah Noorzai, Kobra Gharouni Jafari, Mahmood Golabchi, and Sahar Hamedi</i>
